

19th Annual Derrick Brooks Celebrity Golf Classic

Benefiting Charity

The mission of Derrick Brooks Charities, Inc. is to provide educational opportunities for youth that will instill, inspire, broaden, and develop cultural and social vision outside of the walls in which they live to ensure that these young people have every chance to develop into the strong and productive leaders of tomorrow.

Derrick Brooks, a former All-Pro linebacker for the Tampa Bay Buccaneers, first started his community involvement when he was drafted by the Buccaneers in 1995. He created a program called The Brooks Bunch, as a commitment to positively impact the lives of youth in Tampa's most economically disadvantaged communities. The program began with Derrick making regular visits to a local Boys and Girls Club and spending time with the kids and getting to know them and their struggles. He realized that there was a need to give these youth a hope for a greater future and felt the need to expand their vision beyond their present communities as well as expanding their educational horizons. The Brooks Bunch Program took students to places like: Ft. Lauderdale (1 day trip), Atlanta, GA., Washington, D.C., our Nation's great Wild West, New York City, Chicago, and twice to South Africa.

Since then, Derrick Brooks Charities has grown greatly and is currently serving over 1,000 youth in the Tampa Bay Community.
