

DBC YOUTH ACADEMY UPDATE

Program Name	DBC Life Skills Academy (Inc. Behavior Modification)
Program Location	Greco Middle School Glow Girls Empowerment Group
# of Program Participants	12-15
Program Administrator(s) Volunteer(s)	Latoya Murvin (DBC) , Dr. Russ (Greco), Jayda (USF)
Program Time/Duration	10am-12pm ,twice a week, 2 (2) hr. sessions
Current Subject/Module	Character Building/ Self Awareness
<p>Weekly Summary: Majority of the girls have completed the healthy relationship course (Character Playbook) and have now moved into working on the digital literacy course (Ignition). Initially the students did not understand why this course was necessary but after we discussed what a digital fingerprint is and how it can affect other parts of your life, the group was less apprehensive. One of the main points of the first module was how to educate yourself on choosing technology that is best fit the goal you attend to accomplish.</p> <p>Student Highlight: Some of the young ladies from our behavior modification group were chosen to participate in the HCPS Girls R.I.S.E Empowerment event. During the event, the ladies had a public talk session with some of the HCPS Board members about changes in education policies that affect young women in middle schools.</p> <p>Module Activities: The students completed digital personally profiles to help themselves become more aware of themselves when it comes to interacting with their peers online.</p>
